

Living and Learning
with Faith,
Community and
Hope

Marcham School Vision

From Vision to Vision

- Our vision is for all **to achieve beyond their expectations**, and to become confident, **motivated** life-long learners, **able to contribute positively to a fast-changing world**.

Encapsulated in these words:

**“Living and Learning with Faith,
Community and Hope”**

Living and learning with:

- **Faith** in ourselves – **to achieve beyond our expectations**; faith in each other and, for some of us, faith in God.
- Living and working together in **community** together in a way that demonstrates **our values**. It is what **motivates** us because **everyone matters and everyone belongs**.
- Living together in community brings **hope** for the future, **so that we can make the world a better place**.

Living and Learning with

Faith – achieving
beyond
expectations

Community –
because everyone
matters and
everyone belongs

Hope – making
the world a better
place

Faith

- Faith in ourselves – **to achieve beyond our expectations**; faith in each other and, for some of us, faith in God.

Community

- Living and working together in a way that demonstrates **our values**. It is what motivates us because everyone matters and everyone belongs.

Hope

- Living together in community brings hope for the future, **so that we can make the world a better place.**
