Dear Parents/Carers,

Welcome back to the second half of the Spring term. I hope that you had a chance to relax and enjoy some family time last week.

We await the announcement from the government this evening about how schools will return to full capacity and hope to share with you our plans, based on their expectations, in a timely manner. We don't anticipate that any emergency or immediate measures will need to be taken but should this be the case we will try to contact you via ParentMail. If that system should crash (as it did with the announcement on 4th January) then we will contact you via email.

However, until we return, stay positive, take time to find snowdrops and daffodils as Spring approaches and I trust that your re-engagement with remote learning will be refreshing and stimulating.

V Hutchinson
