

MARCHAM PRIMARY SCHOOL PARENT TEACHER ASSOCIATION

The PTA at Marcham C of E Primary school are a group of engaged parents and teachers, working together to make Marcham school an even better place to learn. We work closely with the school to find out how we can make a difference, and we hold fundraising events, raising money to enable us to contribute to the school in an effective way.

The PTA also manage the school community garden, and we are supported by The Anson Trust, a village charity who match fund the money we raise, maximising our contributions.

WE MAKE A REAL DIFFERENCE...

We contribute hundreds of pounds every year towards coaches for school trips and residentials to reduce the cost to parents

We paid £315 for an incubator for Panda class to hatch chicks. Every year group spent time with the chicks and learnt about the hatching process.

We partnered with the Anson Trust to turn a previously unused space into a £5000 school community garden, used by the entire school, and sharing produce with the community

We contributed £7500 towards 15 Chrome books used by all pupils

PLUS...

★ We provide each class with £100 every term for the class teacher to purchase items such as art supplies, materials, seeds, and hot chocolate at Christmas

★ We provide every new starter at the school with a PE bag

★ We are funding a visit from Roves Farm and their animals for our children in years 1 and 2 in June

OUR EVENTS

Summer fete

Christmas fayre

School discos

Story evenings

Brush parties

Coin challenges

Any many more.... the possibilities really are endless

WE NEED YOU!

We are a super friendly and welcoming team, always thinking of creative ways to raise money, and we are committed to making the school an even better place to learn, and provide the children with new experiences.

If you are able to attend a meeting every 8 -10 weeks, and help out at a few events in the year, we would love you to join our committee!
