

Science

In Autumn 1, our Science unit is states of matter where we will identify, categories and explore solids, liquids, and gases.

In Autumn 2, we will explore how sounds are made through vibrations and how they travel through different materials to reach our ears.

Music

In Autumn 1 our music unit will link directly to our value this term. We will explore the gospel song 'lean on me'. In Autumn 2, we will continue to explore our learning by playing the glockenspiel.

Computing

Our Autumn 1 computing unit we will learn about being safe online, how to have a positive impact on the digital community and how we can use technology to communicate.

In Autumn 2, we will learn about basic and word processing and text formatting skills. We will explore formatting images and organising content into and effective layout.

Maths

In Autumn 1, we will focus on expanding our knowledge of place value to 4 digits and our understanding of addition and subtraction. We shall learn about area, length and perimeter and how to measure and compare.

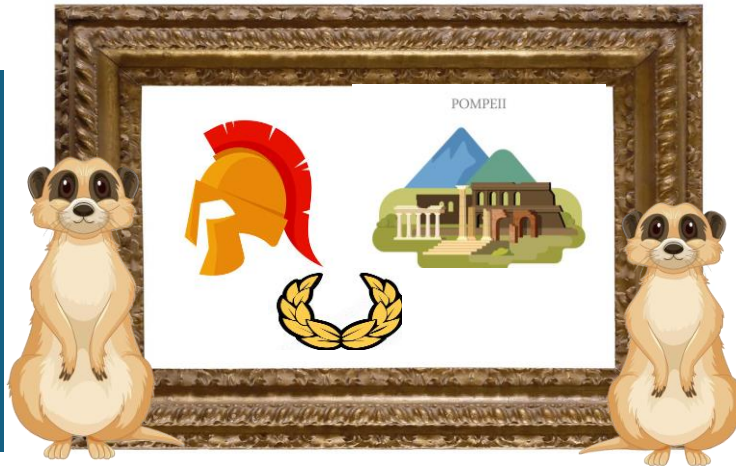

In Autumn 2, we will develop our understanding of 4-digit numbers through addition, subtraction, multiplication and division.

We will also start to look at the Multiplication Tables check and practise our times tables up to 12x!

Meerkat's Curriculum Web Autumn 2026

French

Within our French lessons, we will develop our vocabulary in our Unit 'All about town' as well as our fluency on numbers up to 100. In Autumn 2, 'On the Move' unit, will learn to develop our conversational skills in some new topics: transport, direction and movement.

History/Geography

Our topic is The Roman Empire this term and we will be focusing on learning the seven continents and the World's oceans. We will compare human and physical geographical features, and use map keys and symbols. We will consider trade routes across Europe and question why aqueducts were constructed. In Autumn 2, we will investigate aqueducts, looking at how they were constructed and discover the different types of houses that the Romans lived in.

Art/ DT

In our Art unit in Autumn 1, we will learn about Mosaic Tiles and how ancient Romans used small, colorful tiles to create intricate patterns and images on floors and walls.

In Autumn 2, our DT unit will be designing and making Roman-style sandals to explore footwear from the past.

PE

In our indoor PE sessions, Autumn 1 will be developing our gymnastics skills through exploring balances, rolls, jumps and sequences. In Autumn 2 our indoor unit is Handball.

In our Autumn 1 outdoor PE sessions, we will be exploring a Tag Rugby Unit where we will develop our skills in ball skills, attacking and Defending and teamwork. In Autumn 2 our outdoor PE sessions, we will be exploring an Outdoor Adventurous Unit(OAA).

English

This term we will revise what we already know about sentence structure and punctuation. We will write using conjunctions and expanded noun phrases. We will be writing historical stories, newspaper reports and non-chronological reports. Next term, we will look into the features of non-chronological reports. We need to recap the use of commas, writing in the third person and different sentence types.

Our Focus Value this Term:

Friendship and Community - Autumn 1

Respect - Autumn 2

RE - Autumn 1 - Who do Christians believe Jesus is?

RE - Autumn 2 - How Christian practice has changed over time
